Georgia Garrison Training Center

Facility and Location

Georgia Garrison Training Center (GGTC) is a tenant of Ft. Stewart. The primary mission of GGTC is to provide logistics supports and training facilities for National Guard units conducting annual training and preparing for active duty mobilizations. GGTC also has several Georgia Army National Guard facilities that are tenants of GGTC. There are no firing ranges on GGTC property.

Media Sampled and Findings

Drinking Water — In 2011, two samples reported no detection.

Appropriate Actions

Not Applicable. All samples were below the EPA and DoD Preliminary Remediation Goal of 15 ppb.
